Armenian-made anti-personnel mines were neutralized in the direction of the Saribaba high ground

Republic of Azerbaijan Ministry of Defense · 22 November 2022

On November 21, as a result of demining activities conducted by the Azerbaijan Army's engineer-sapper units, an anti-personnel minefield laid by illegal Armenian armed detachments was detected in the northern direction of the Saribaba high ground.

As a result of demining measures taken in the area, 350 PMN-E anti-personnel mines produced in Armenia in 2021 were detected and neutralized in compliance with safety regulations.

The Azerbaijan Army's engineer-sapper units continue activities on demining the Azerbaijani territories.

The peacekeepers and the Turkish-Russian Joint Monitoring Center were informed about the detected mines

Republic of Azerbaijan Ministry of Defense · 22 November 2022

As it was mentioned, on November 21, the anti-personnel minefield consisting of Armenian-made mines and laid by illegal Armenian armed detachments was detected in the northern direction of the Saribaba high ground.

The command of the Russian peacekeepers and the Turkish-Russian Joint Monitoring Center were informed about the detected mines. They were also invited to the territory in order to inspect the minefield.

Azerbaijan Army positions were subjected to fire

Republic of Azerbaijan Ministry of Defense · 22 November 2022

On November 22, starting from 10:35 to 14:30, the Armenian armed forces units from the positions in the direction of the Azizli settlement of the Basarkechar region using various caliber weapons periodically subjected to fire the Azerbaijan Army positions stationed in the direction of the Yukhari Ayrim settlement of the Kalbajar region.

Moreover, on November 22, starting from 09:17 to 14:48, members of an illegal Armenian armed detachment in the territory of Azerbaijan, where the Russian peacekeepers are temporarily deployed, periodically subjected to fire the Azerbaijan Army positions stationed in the directions of the Fuzuli, Shusha, Khojavand, Terter, and Khojaly regions.

The Azerbaijan Army Units stationed in these directions took adequate retaliatory measures.

Release #11190

Republic of Armenia Ministry of Defense · 22 November 2022
